“ I am going to miss seeing Ms. Lorece. She was a character. We would joke around with each other. She always had something funny to say. When I first met Ms. Lorece, it was at Pee Dee Eye Associates. She kept --(((cheese it)))--in a drawer ,for the office staff to eat. When I became pregnant, I told her if she don't stop bothering me, my baby is going to look like her. She said that why-- I'm getting on your nerves. Ms. Lorece loves the Clemson Tigers. The last time I visit her, we laughed and talked about my boys and her family. She was so excited to tell me about the people in the photos in her room. When she would come by for an eye appointment, I told her she just wanted to come by and see me. I'm going to keep the fun memories of Ms. Lorece in my heart and I know she is in a better place now. Rest In Peace My Friend

“ Cheryl,

I am so sad to learn of Mrs. Carnahan's passing. I enjoyed all of the times she came into the bank and we talked. She was always laughing. She had such a happy, Godly spirit. May the Lord be with you. I'll be praying for you.
