“ I am so sorry to hear about Mrs. Lore's death. She was a very precious lady. Her and Mr. Robert had a great influence on my life when we lived in McBee. I will never forget her birthday cakes. I have no idea how she made her icing, but I have never tasted anything close to it! I also remember evry card she sent she would sign "In His Love" and that just showed the type of life she lived. I loved going to there house also. Mr. Robert always had something interesting going on and Mrs. Lore just seemed to go along with it. Nothing ever bothered her! They were a perfect pair and I know she has peace since she is with him again. May God bless you and your family.##imported-begin##Nicole Short Teal##imported-end##

“ To all of Lore's family. I know that humanly the loss is a big hurt but you'll have so much to be proud of because she was a wonderful person. My Mother and Dad thought so much of her and your Dad but I guess after my Dad passed away her and mother had a special bond. Lore was always calling and checking on Mother, that was Lore always putting others first. But I know that your Dad, her and My Dad and Mother(Richard and Dot Sullivan) are all rejoicing in heaven and one day we will get to see them again. You are in our prayers but God will see you thru each day, so keep looking up. God Bless!

“ We were so sorry to learn of Lore's passing. We enjoyed so much our short time of having them as neighbors. They were both such special people, and so kind and helpful to us. Our deepest sympathy goes out to all their wonderful family.##imported-begin##Rosina and Bob Stephenson##imported-end##

“ Oh, I love Ms. Lore so much! She was always so wonderful. Also, always so thoughtful and caring. She gave me one of my favorite children's books for my high school graduation, "Oh, The Places You Will Go!" It felt as if she could read my mind. I know you all will miss her. I will be praying for you all. But, I would like to say thank you for letting my family share in the life of such a special woman. Always,

“ Dear Terri, Bobby & Randy,  
Your Mom and Dad were always so kind to us as we were growing up. The rides to church and baseball games, letting us play in your backyard..baseball, the sand box, the swings, those things you can only appreciate after you are grown. Our thoughts and prayers are with you today.
