“ Julie, Lisa and family: My heart is saddened for you. Your dad was such a nice man and he loved his family. I can see him sitting in that recliner with that lovely smile when I would go see your mom. They loved those grandchildren and always talked good about you girls. Your mom and dad were a very special couple and now they are reunited in Heaven. Heaven's gain but our loss on earth. I know it has to be hard losing both parents so close together and I will keep you in my prayers for God to give you the strength to get you through the difficult days ahead. Hold on to all the memories you have and cherish them. That is one thing that will never be taken away from you.
