Bert, so sorry to hear about your mother. She was a wonderful person to know. I remember when we were in high school and she drove her Studebaker and we would ride to Brook's Drive-n and eat after school. I miss seeing you come in and get help with your farm plats and deeds. Will not get to see you and family, but know you all are in my thoughts and prayers.

“ *What a Lady! What a Family! Louise "Floogie" Woodham Kelley* was an exceptional lady with a heart filled with love for so many others. The world has lost a loving, gentle Lady who loved her life & family so much that she wanted more time. God reached out & gave this wonderful Lady extra time. Floogie's son Bert & her daughter Beth were caregivers & rarely left her alone. With love in their hands & with the assistance of Floogie's close relatives, she was cared for with tender, loving hands. Floogie was never alone during this time of her life, God, her children & her sisters-in-law were always there. Floogie was a fighter until God decided to take her in his arms & carry her HOME. The Family will see Floogie & her brother Wes (who died tragically almost a year ago) AGAIN "IN THE LIGHT".
