“ *Buster and I have, and will continue to have, your family in our prayers. We were unable to attend the visitation yesterday due to the home cross country meet. Brad runs, Buster coaches, and I was put to work. The meet took place during the visitation time.*

We both have such fond memories of your parents and we both know that our lives were truly blessed by their love and friendship. Know that we sincerely share in your loss and our love and prayers are with you.

We will not be able to attend the service but hopefully you will feel the strength of our thoughts with you at that time.

*Love,

“ Dickie, Stevie, Winnie and Fran

Phil and I were so sad to hear of the death of Aunt Louise. So many fond memories of she and Dick in Myrtle Beach with all of us in the summer. I was able to have a long talk with your Mom when Dad passed away and she was such a great help to me at that time. I am so blessed to have had such a great "lady" as my Aunt. My thoughts and prayers are with each of you at this time. Love to all of you.##imported-begin##Phil and Linda Stack##imported-end##

“ Steve,

While I am saddened at the great loss of your Mom, I am reminded of the love I've seen in you every time you would mention seeing your mom. You said to me, your mom is now rejoicing with your dad. What a beautiful testimony of a God send mother to know she is in heaven without sickness or pain and with her husband. My family and I pray for you and your family that God will uphold and strengthen all of you as only he can do. If there is anything I , my family, or Aaron Industries can do, please do not hesitate to make it known.

God bless you all-another Angel has made it home.##imported-begin##Lee Phillips##imported-end##

“ Steve and family,
I wanted to remind you that you are all being held in God's hand this very moment. He is always at our side and in times like these he holds us tighter. The world may have to say good-bye to a wonderful woman but Heaven is a better place today. Please let us know if we can do anything at all.
We send all our love,

Your mom was a wonderful friend and neighbor. I miss our chats under the pecan tree nearly everyday when we were neighbors. Heaven is a better place now that she is there and she will be greatly missed here. You are in our prayers but knowing her she would tell us all to stop weeping at this lose but to rejoice in her honor.
