“ Terese, Crystal, Donna, & Families,

I just wanted to tell you how sorry I was to hear that you lost your father. I know that you will cherish the many memories you have made with him over the years.

I am remembering all of you in my prayers. I trust that God will give you the strength you need to get through each day. Although you have lost your earthly father, you have a heavenly Father who loves you and cares about you, and will be there for you through the difficult times. Remember that God is ALWAYS there for you, and is always patiently waiting for us to come to Him.

I will be praying for God's comfort for all of you in the coming days.

“ Terese, Crystal, Derrick, and Troy,

I want to say to you all that I love you guys. I know that we have been through some pretty rough waters over the last week, but I am so proud that we have stuck tight through it all. Daddy would be proud of us. I can hear him now - "Girls, stop fighting, this is my funeral" the way he would always say "Don't fight - it is almost Christmas".

I am glad we all had time together on Fathers Day and I will remember it for the rest of my life.

I believe that God has been with us over the past week and I am so thankful for that.

I love each of you dearly.
