“ *Whit, Debra and family: I was out of town the weekend and was saddened to hear about Lynda. I have known Lynda for a long time. Every time i would see her we would talk about our families. She loved her family and would talk about her Whit and Megan and those grandkids. She was always happy and smiling. I know it is really hard right now but I know she is singing with the angels and talking up a storm with that smile. She will be missed greatly. I will keep you all in my prayers through the difficult days ahead. Cherish the memories and she will live on through each of you.*

I would always enjoy you coming to the house and putting a smile on our faces. Mostly my moms. It is so hard to believe that you are really gone. Fly high with the angels and we will see you again. “ Lynda, You're body is gone. But your soul is with Jesus now. You are missed dearly but I know you wouldn't want to come back to this place. You are our Angels among us watching over us. Don't worry about Magen and Whit. I will help take care of them. I love you my dearest friend and Sister. Play with the Angels and tell all our loved ones in Heave hello for us and we will be together again someday! I love you!

“ Ms. Joyce, LuAnne, and family, I was speechless when I heard the news on Lynda. I know our families go way back together and over the years time seperated us. But, thru Roger and Lynda we all reconnected again. Lynda could always bring a smile to anyones face and a cut up. I will treasure the memories we made when she would come here with Roger to visit us. Please know all of you are in our thoughts and prayers. We all send our love and most sincerest condolences to you.

Love,

“ On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, verse 2 reminds us that in my Father’s house are many rooms; if that were not so, would God would have told us that He has gone there to prepare a place for all of us? Family, this earth is not our home and we are only passing through this land, so hold on to the promise. My prayer is that God will hold you close as you press on.

“ *Ms. Joyce and Debra it was so good to see ya'll today. I just hate
that it was under these circumstances. I hate that I missed Donna
and LuAnne was not doing well when I saw her. Please know that
you're in my thoughts and prayers. I didn't get to see Lynda as
much as I would've like but I loved her so much. We all shared so
many memories growing up in Howle St together. She always
looked out for me in school and I'll never forget that. I prayer you
find comfort in knowing she's not sick Amy more. If you need
anything at all, please do not hesitate to call me. Love you all!*

“ I sat and talked with Linda about three weeks ago at the hospital. We have been friends along time although we only saw each other on occasions. I want her children and grands that she bragged on yall and showed me your pictures on her phone. She called a week later to check on me. We talked more than an hour about life and all the things we are grateful for. Know that she loved you all with all her heart.
