“ Dear Poe family,
I didn't know your parents intimately but I knew them well enough to speak and have casual conversations. I used to eat at D and S Sub Shop a lot when my son was in high school and would come home from college. Your parents were there just about every time I went. We always spoke and had short conversations. It was a while before I realized that your Mom was struggling. Your Dad covered for her so well. She was always beautifully put together and they were both so pleasant. I later ran into them at Morningside. My thoughts were "how lucky she is to be loved like that." I will always remember them as being partners and think of your Dad as a Cadillac stand up fellow. God bless you all.

*To Lisa, Amy, Sara -
Although your dad was ready for heaven, his not being on earth leaves
us empty feeling.
We cannot be there for the service - but our love goes to each of you.
Charlie will conduct the service marveously.
Never have we met two people more dedicated to the Lord and his
Church than Lynn and Toni.
We were young at Church together - unforgettable!*

*Bless you all!

Lisa and family,

I just wanted to let you know how my heart hurts for all of you. Your dad was a great man and I enjoyed getting to know him better on many occasions when I returned to Hartsville in 1990. We always talked about Lisa and how proud he was of you. I told him we were always best of friends. I am praying for your family and love all of you very much. God Bless you during this challenging time. Our hearts are with you.
