“ *I will miss Lynne as I know all of you will. I can see her coming through Kalmia Gardens riding her bike and walking dogs. She was a great friend to me in supporting my care and interests in baby opossums. She found a book, Appleblossom the opossum, that she shared with her students at Plainview. She helped mold many young minds that our natural world is a gift and we need to care for the creatures that share in it. I will miss her often.
Fondly,
Mary Ridgeway*
