“ To me my dad was the greatest man I've ever known. He taught me about honesty and hard work. He taught me more about hunting and fishing than I thought I knew. He taught me so well that when we were fishing he would tell me " If you catch another dag gum fish son I'm going to come up to the front of the boat and throw you off,,,, you dag gum Bill Dance you" It was so funny to see his reaction when I caught a bass as soon as he got those words out his mouth. I will miss him so much and he will always be my Hero. I love you Dad.
