“ *Uncle Malcolm took a young kid from Atlanta, taught him how to work hard, understand farming, the value of living a Christian life, and forgiveness.... especially when I would accidentally tear up his farm equipment, race Grandmother's car and generally do the things teenagers do.*

*Uncle Malcolm taught me how to be successful in achieving my goals and I owe much of what I have become to this man.*

*Some of the best times in my life were spent right there with everyone.*

*He was one of three angels God sent into my life and He will always be in my heart .....*
