“ My prayers and sympathies to you both Nancy and Malena.

*I first met Marcos in 2007 when I started working in seafood purchasing. He was very professional, friendly and sincerely cared about my business. I remember thinking there must be some hidden agenda with this guy because he was just too nice. After months of working together, I realized Marcos was a seasoned and skilled professional who not only really understood his business but was also a sincere person who cared about the wellbeing of his partnerships and the people he worked with. He mentored me over the years and taught me a collaborative partnered approach was the best path for success in the crazy seafood industry.*

*I was able to see much of Central and South America as a results of our work together. I will miss his friendship, great sense of humor and the amazing stories he would tell about his travels.*

*I will see Marcos again in the kingdom of heaven. Rest in peace my friend.*

“ *Don marcos, en estos momentos de tristeza por la partida de un querido amigo no puedo dejar de recordar su estampa y su especial humor, hace casi treinta años cuando recién comenzaba en las actividades pesqueras, fue el un ejemplo a seguir, con los años nunca dejamos de compartir, juntos viajamos, realizamos algunos negocios pero lo más valadero eran sus comentarios y consejos, con los años una amistad surgió, solo me queda brindar desde la Patagonia y acompañar en el dolor a su hermosa familia,*

*We have so many fond memories of Marcos as we travelled the Orient and South America, exploring new opportunities, challenging the ordinary and always enjoying the friendships of so many people.*
