“ Cindi and Jimmy,
We just learned about the loss of your mother. We are keeping you in our prayers. As you were neighbors long ago, I remember wonderful times shared.

Coffee and cake. Planting flowers. You kids all playing. Your mom was a good friend and we enjoyed many talks together. Margaret will be sadly missed by family and friends.##imported-begin##Charles & Patsy Wase##imported-end##

“ Grandma,
I love you and will miss you so much. I don't know what I will do without you. I know that you are in a better place, but it is still so hard to let you go. Don't worry about us we will all be ok. I will make sure that we all stick together through this. I am so glad that I got to spend so much time with you the last few days. I loved every second of it. I want you to make sure you keep pops straight. Tell him that I love him very much. Deakon and I had a long talk today and he said that he wished he could have given you a big ol kiss, and told you that he will miss you. I told him that when he said his prayers tonight that you would be able to hear him, but he fell asleep. I'm sure that he will tell you though. I'm gonna make sure that our family spends more time together than what we have been. I know that, that is one thing that was important to you. I know that you were worried about dad and Cinnie, but I will do my best to help them through this. They love you so much! I know that you will miss us too. I also know that you are not tired anymore, and that you are with pops. You missed him the way we are missing you right now. So I know you got to be happy to be with him. Grandma I love you so much. You don't ever forget that.##imported-begin##Torie##imported-end##

“ *Cinnie, Jimmy and Family -*

You are in our thoughts and prayers. We were very sad to learn of your Mom's death. May God place His loving arms around you and take care of you. To be absent from the body is to be present with the Lord when we know Him as our personal Savior. Our prayers will be with you during this time.

Love to both of you!
