“ Dear Gladys,

*What a lovely picture of your mama! That is the way I remember her as looking. The last time I saw her was at Wesley at church.*

*It's so hard giving up our mamas, no matter how old they are, no matter how old we are. I think about my parents every single day... good thoughts, funny things... and how much they loved us.*

*My deepest sympathy to you, old friend.*

*Much Love, Mary Mc##imported-begin##Mary Mc Gettys Patrick##imported-end##*

“ Dear Gladys, I was so sorry when John told me that your mother passed away shortly after Ann Brand and I left you, and I am grateful that he was able to be there to sing one of your favorites, "Surely The Presence of the Lord Is In this Place, as we could feel that when we kissed your beautiful mother goodbye.

We at Agape and Ann and I will be praying for you as it was truly an honor to serve your family. I lost my mother in March 2008 and I can truly say I know the pain within your heart.

Please know that we will keep you in our prayers here at Agape and as a former classmate. Your mother was a very beautiful and special lady and you will treasure many memories in the upcoming days.

We are only a phone call away and would consider it an honor should your family need us in any way.

With deepest love and sympathy.

“ Gladys and Family, I am deeply saddened at the loss of your dear mother. Somehow we are never truly prepared when the day comes but we can rest in the belief that she is resting in the hand of God in a place so much better than earth. May God bless and comfort you in this time of sorrow and may His face give you a sense of peace when you see Him in the abundant clouds and sunshine that only He can give. “ She will be greatly missed. Even in her time of suffering, she could still make me laugh. She was a very sweat lady and had a sense of humor even through her difficult time. But now I know her suffering is over and she's with the angels and God, looking down upon us and SMILING. Love you MARGARET, Barbara##imported-begin##Barbara Welliver##imported-end##

“ Gladys, my heart goes out to you and your family at the loss of your mother. I have very fond memories of her as far back as our grammar school days at Thornwell. She was a beautiful, gentle lady. I'm so glad you were able to honor her and her caregivers at the Chamber banquet. It seems that our class has had more than our share of grief these past few weeks. Both Harry and I will keep you in our prayers.
