“ Betsy, I extend my sympathies to you and your family. I have fond memories of the times I spent with your mom and dad. I actually saw her in Griggs grocery about 2 years ago, by the time Mr Griggs told me who she was, she had left. I regret I didn't have the opportunity to speak to her.

Although this is a sad time, I know you have the joy and comfort of knowing she is with her Lord and savior.##imported-begin##Robert McLeod##imported-end##

“ With greatest sympathy of the loss of a beautiful matriarch of the Hawkins family. Aunt Margie was not only beautiful on the outside but on the inside as well. She was a wealth of knowledge. It seemed that I always learned some little tidbit of family history whenever I visited with her. An independent little lady that others could only aspire to grow up to be like her.##imported-begin##Mary Hawkins-Gray##imported-end##
