“ I could not be more pleased that I was named after your Mother. She was a very special person in my life, and I will carry her name with pride. She asked me once if I liked the name Marguerite, and I said yes, but that everyone had always called me Peggy after Grampy's Mother. She then asked me if I had considered naming Jessica Marguerite, and I said that I had, but I was afraid that everyone would have called her Peggy as well. Your Mother was there for me during difficult times and was a source of strength that I needed. I loved her and I will miss her. All my love,
