“ My Daddy was the very first man I EVER loved and to know he’s gone and not coming back through my front door is definitely not set in yet. I know he’s in a better place and no longer suffering. I appreciate each and everyone of you for paying your respects and sharing these unforgettable memories, my Dad has always had my back and anyone who he considered a friend knew he had their back too! He would give anyone the shirt right off his back. He never turned his back on anyone, even when they weren’t loyal to him! My daddy deserved the world, I wish I could’ve given it to him, cause everyone and even my daddy himself knew that! I’d love to see all of you Thursday August 24th! Thank you all so much!
