“ *Mom, Gene, and the rest of my family. We know that Marion had a special place in all our hearts. He has been and always will be one of my hero's. The same smile, laugh and all his wacky sayings that only Marion could say and we get the meaning... A wonderful man to call uncle and friend in the same breath and we will all miss him VERY much.*

We don't need to wait to lose another of our loved ones to have family reunions. Lets see each other more often...

Love and prayers to you all. If you need anything, just call me.
