“ I would like to send my condolences in the death of Mrs. Wright. I did not know her, however, Mr. Marion Earl Wright hired me here at Gayley on Aug. 1, 1976, and he was the most intelligent man I ever met. He taught me a lot about textiles and he mentioned his wife often. I know they are both at peace. Our thoughts and prayers are with you and your family.##imported-begin##barbara a. starkey##imported-end##
