“ Dell, when I pasted by buds today I thought that something had happened to Binge. I know how you and Bud make over her. I am so saddened to read it is Bud. I loved to be at your house when he came by he always made me laugh and smile, everybody needs a brother like Bud! Please give the children a huge hug and tell them as well as yourself that Bud will always be with you and that there will be times to come that you will see and feel his love.
