“ *Ray,*

Your Mama will be so very missed. Hebron Church and all of lives will never be the same without her. We hope with each passing day you find the strength to get through each day. We're family, so please call or come if you ever need us. Again, we will miss your Mama very much. She loved you, Renee and Taylor so much. Now she and Renee are together again. God bless you Ray and again we are ALL here for you. Everytime I see beautiful flowers I'll think of your Mom, she grew the most beautiful flowers.

“ *Our birth is but a sleep and a forgetting: The Soul that rises with us,
our life's Star, Hath had elsewhere its setting, And cometh from
afar: Not in entire forgetfulness, And not in utter nakedness, But
trailing clouds of glory do we come From God, who is our home:*

“ Ray, Margie brought so many gifts to our life. We will never forget her! Of course nothing we can say or do will fill the hole now in your life. But remember Lance and I love and care about you, and will always be here for you. I know it's gonna be hard, but remember if love and thoughts could only help you, you should have all the strength of both that Lance and I can give.##imported-begin##Lance and Sissie Newsome##imported-end##

“ Ray Paul,

Your mom was like another mother to me. She helped my mother and my brothers and I through tough times. She was a very strong and determined woman; someone I looked up to, even though we part our separate ways in life and do not stay in touch. There is always someone that constantly comes to mind in different situations in my life, and that is Marjorie Johnson Mehl Hancock.##imported-begin##Velda Bess##imported-end##
