“ *mary wayne was my 1st cousin, we were raised together during summers and holidays by our mothers, who are sisters. although we did not live in the same city our mothers were together alot i remember marty as a little blond headed boy who was always busy on the farm or with whatever boys do, but (all boy). he always loved life and even though his life ended too short. i know for some reason the Lord needed him upstairs for a purpose, possibly for a baseball team that was in need of a good coach. i will always remember marty in a very special way because i was only close to him as a young boy. when he "grew up" and moved on as a father. he became a very special person. we all need people like that in our lives. the little blond headed boy lives on in my memory as just that. my cousin from loris and a busy little boy.*

with all my love....

“ *I was a classmate of Marty's at Loris and a teammate of his on the tennis team. Though I have not seen Marty in some years, I was quite saddened to hear of his passing. From his accomplishments, it was clear that as great as he was in high school, he only became more of a person through his life.###imported-begin##Sean Keefe###imported-end##*

“ Leslie, Patrick, Cody, Tristin; Just wanted to tell you how much I respected and admired Marty. I considered him someone who was a role model for all of us and certainly you Patrick, Cody, and Tristin could not go wrong in remembering what he taught you. I wasn't on his team when it came to baseball, but I saw how he coached from an umpire's perspective, and I loved the way he coached and treated his players. Leslie, Good luck and call me if I can do anything for any of you.

“ Pat, I can still see Marty sitting in church with his blonde hair. I know that he was the apple of your eye. We will miss him but we have a lot of memories of him. You have three beautiful grandsons to love. They were Marty's heartstring and he would want you to be there for them. Take care and call me day or night if you want to talk. I love you just like a sister. I am here for you. If I could take your pain away I would. It hurts so bad to see your heart breaking like it is right now. I will be praying for you.##imported-begin##Terri Jordan##imported-end##

“ *Leslie, Patrick, Cody, and Tristen;
Our hearts are saddened. You will be in our prayers. Marty loved his family. He loved children. And he was loved by all.*

I had the pleasure to work and play softball with Marty. Marty was never without a smile. Although it has been a long time since we last saw each other, I will remember early days, when you first moved here. I will remember that Marty loved to play ball. I will remember Patrick as a small boy, chasing after balls around a softball dugout, and just being there with dad.

Hold your memories close to your heart, for he will always be with you.

May God bless all of you, comfort you in this time of sorrow.##imported-begin##Rocky, Mary, and Megan Brown##imported-end##
