“ I just thought I'd share with you daddy. I started a family of my own. I have a daughter named Payton Makenzie Watts is 9, I have a son whom I named Lightning Levi Charles Watts after you he is 3, and the 3rd one is otw. I got married to Logan Watts. Since I didn't have you Papa Allen walked me Down the aisle. You would be proud of him bc since you left us he got sober to help mama raise us. Landon graduated high school and now is expecting his first little girl. They are planning to name her Sadie Mae Peters. Cody also started his family with a baby girl named Kayla Lean Crandford she is 2. We also found our brother Tommy not to long after your death. We don't get to see to much of Hannah, but she also had a little girl named adalynn, she 2, & I've never met her. Anything Lindsie also had 2 children Maverick and Elsa. I wish we could all be closer like you always wanted. I miss you all the time. You should've been here daddy, but one day we'll all be in your arms again. I'm sure You, Nanny, Grandma, Papa Roy are Watching over us & keeping us safe. I just wish thing could've the way it was suppose to be growing up. It was rough without you. Mama hasn't ever really been the same since you left. I'd give anything to have you back not just for us, but for her. She was never ready to lose you and she's still struggling Without you even after we got grown. I love you daddy. Rest easy daddy. Fly high

“ Til this day I still miss him deeply he was a longtime friend and exboyfriend of mine. I still can not believe that he is gone. I miss you so much Lightning and I loved you so much because, you was such a great friend to me after we broke up. We always hugged everytime we saw each other and I really do miss that. I hope to see you again in the afterlife and hope you have a great big hug waiting for me. We dated for about one year and through all the bad times, I was still there. After we became friends we had alot of great times together when we did see each other. I'll always have my memories of you and me in my heart.
