“ Just a "Hi", hope all is going well for everyone. I miss dropping by to see Mrs Jenkins on my visits to Hartsville - And, relish the memories of her pinto beans and onions that made up many good lunches when Tommy and I were in and out - and special fun times with Tommy - they were good and fun folks.

“ Mrs. Jenkins was a sweet and compassate friend. I have missed her so much. She wanted to see my grands and they were going to visit her this weekend while visiting from North Carolina. My last visit was pleasant with me helping her with lunch. So sorry for your loss. May your memories of her laughter and teasing bring joy to your hearts.
