“ Mary was my great aunt Bernice Flowers Kelley was my grandma which was Mary sister. I remember Aunt Mary always wearing her hair up in a bun and how she remembered which child belonged to whom. You really could tell that my grandma and Aunt Mary were sisters.

After the passing of my grandma The Kelley family immediately got in touch with Aunt Mary to inform her of my grandma's passing which was March 19 2004 following behind my grandma a year later my grandma oldest son Kenneth passed away March 14th 2005 which was my daddy... I'm not sure if Aunt Mary ever knew of my dad's passing but I remembered her showing up for my grandma's funeral as well when my grandpa passed away after my grandparents passed and daddy passing away my family had no way of knowing about my grandma's side of the family or how to get in touch with them all.

My mom and I was talking and she asked me if my aunt Mary was still alive she helped me in finding out just a few days ago of my aunt Mary passing.

If anyone knows how to get in touch with Marys children my grandma's remaining children and grandchildren would love to hear from them and get to know them.

I've been trying to do my family tree and would love to finish it up..

Thank you
Samantha Kelley
