“ Sam, Shea Susan and Buddy, I just came across Betty's obituary much to my sadness. Betty and Frank and you all were a very special part of my life during high school and college. Christmas eves, summer evenings...oh the fun we had! I am truly blessed that I had the pleasure of knowing and loving not only Betty but the entire Martin family. My love to you all, Nancy Miller Bolten

“ *Betty was a great friend. We had a lot of fun together in high school. If there's a cheer-leading squad in heaven, I'm sure she's on it!*

“ *We will remember Aunt Betty as a caring, fun, loving person. She was always ready for a laugh especially when she was with her sisters, Eva Mae and Edith! She certainly loved her family, especially Frank and her children. Our family will miss her greatly and our love is shared with Shea, Susan, Marion, and Sam and their families.*
