“ *Peggy and Family,*
Our prayers are with you during this time. Know that God loves all of us and that someday our time He too will call. Always be ready and waiting. I'm sure your mother is walking over Heaven with others. Just know that you were a wonderful daughter and she will love you even from the sky itself. Look for the brightest star that shines at night that will be your Mom saying, Good Night Baby and You Rest Well. Not knowing your mother, I feel as if I did, because I can see what a wonderful person she was through you (her daughter). God Bless and keep you always in his everlasting arms.
