“ Mary Beth had a big heart, a great personality and was a good friend. I will miss her dearly. There are no words to express how I feel. Her life has ended long before I think it should have, but God had a reason for letting her come home. So I will keep her family in my prayers as I know this is the only thing I can do. May God Bless everyone that knew and cared about her. ##imported-begin##Gail Norwood##imported-end##

“ To the family I am so sorry for your loss. Marybeth and I were dear friends growing up. When we were young we would go stay with her mother Lillian on the Old Camden Road and at night when we were supposed to be asleep we would lay in bed and sing Loretta Lynn songs. Marybeth could really sing those. I didn't see her much over the years just every now and then but I always loved her. She was very loving, kind, and humorous. She will be missed. ##imported-begin##Donna Graham Moore##imported-end##
