*You know sis, it has been almost five years and still fills as if it was yesterday. I just miss you so much, I don't even have Carolyn any more. You two were always there for me, I can remember all the bad times I had in school and you and Carolyn was there to help me out. I know you two are together and I am happy for that, just remember every time you look down, just remember how much I love you both. May God hold your hands for ever.*

“ To James and the children, I really don't know where to begin to tell you how sorry I am , Mary was the center of the family the backbone to so many, she was a sister to me that i never had, she always gave me a brighter light to look for when i was down, always made me see the whole picture for what it was worth rather it be good or bad and even if bad the brighter side of it, I just want ya'll to know how much all of you mean to me and that i'll always be here for you, James I know for you it will take alot of time , there are no words to make it any easier, but time and memories will make it a bit easier day by day, if ever you want to talk or if you just want to sit and stare or even cry my door is always open to you and you family because i love you all very much may each day and memory bring comfort to you....and even though you may feel it at times always remember, your never alone i'll always be here.##imported-begin##sheila stephens##imported-end##

“ I am so sorry, did not realize who it was until I saw the paper and her Mom's name.  
Margie if you get to see this, I am so sorry. It's a shame we are so far away from each other.We cannot even console each other. I still think of you and pray for you.  
My prayers are with each one and every one of the family.  
GOD BLESS EACH OF YOU

“ *What a great loss of such a beautiful lady. She was one of a kind and always there to lend a helping hand, offer words of comfort or wisdom, and to add laughter to our day. She will be missed by all of us for her wonderful spirit and can-do attitude. She will live in our hearts and memories and will never be forgotten.
