“ *I am so terribly sorry as well as my boys are, to learn that Mary Lou has passed away. We haven't seen you all in a while, but you have always been close in our hearts. She was a great woman, lady and friend, not only to Donna and I but to our entire family and indeed to all the people she knew, Wish we could be there for you, but we are away at the beach for our one week of the year that we get the beach house. But we will all be with you in spirit. Of course, everybody says it, but we mean it when we say " If there is anything we can do for you, please just let us know" our prayers and thoughts are with all of you, and may god's peace be with you.*
