“ Rebecca:
I am so sorry to hear of the loss of Mrs. Mattie. I know you will miss her deeply. I started a journal after mama passed on everything I could think of about her. It seemed to help and her grandchildren will have something to remember her. I hope a journal will help you remember all the wonderful memories she left you. I will continue to remember you in thoughts and prayers.

“ I can truly say I know how you feel. It has been a year today since I lost mother and it has been so hard. I miss her so much. There are still days I just cry when I think of her but I know that she is better now. Your mom has fought a good fight and was strong for so long. She has been sick a long time but now is at peace and whole again. God's promise is what helps us get through these times. When I get sad, I think of mother and her friends and love ones that are together now. That gives me peace and hope. Just put your faith in God and know that he will give you peace and strength to go on. I will keep you on my thoughts and prayers.
Love in Christ,
