“ Karen, Huey and Family- I am so sorry to hear about the loss of your Mother. She was such a sweet lady with always a smile on her face. I can remember all the times when we were younger growing up and staying at each other's house. Those were the good old days. We never expect for our parents to leave us, but one day we have to accept it and we can expect that one day we will see them again. It is hard losing a parent as we already know from experience. Just hold onto the memories that you have and cherish them. I will keep you in my prayers through the difficult days ahead. I am here for you if you ever need me.##imported-begin##Rhonda J. “ Hughey, We were so sorry to hear about your mother, but I can truly say I know how you feel. It does get a little better but never easy to deal with as the time goes by. Just know that with the Lords help, your friends and family you will make it through this valley. Knowing that she is no longer suffering and that I know that your father, as mine was, was standing, waiting for her to arrive. We will be praying for you.##imported-begin##Dick and Demetra Moore##imported-end##

“ Karen and Hughey I am so sorry about your mothers passing. I have so many good memories when she would go to mama Jake's and my mother would sit and chat. What a lovely lady she is. Lean on the Lord during this time. May the Lord continue to be with you both and the rest of your family during this time.
