“ "First met Mendel when he and his brother Frank ran the Texaco Service Station on 5th Street back in 1970's. A real fine fellow who would go out of his way to help most anyone. I was proud to consider him a friend and he will always be recalled with fondness. Hartsville has lost a prime citizen. My condolences to the family."

“ To a man that was not only a Father but a great step-Father he has taught us a lot to love, stand up for what was right and to love one another to have goals in our life and no one was any better than you. we were also taught to work hard have respect for yourself as well as everyone else you meet you don't find many step- parents like this man in a life time because it takes a loving ,caring person to love his own and another mans children. we will greatly miss you .Poppa your eldest stepdaughter.
