“ TO Linda, Rita, Freda and all of your (our) family; Today as we lay your Mom to rest beside your father, we celebrate her beautiful life. A lady of grace, love and joy. Such memories to share with all your grandchildren and great grands one day of one who loved the Lord, loved her family, church, friends and loved to cook and bake. There will never be cakes like your Mama could bake for as long as we try. I treasure the recipes she shared with me. She always remembered the Chafin's as a part of her family and for that I am thankful. I know we haven't had our "Mamie" as we once knew her in a long time but her sweet disposition never left her. She always remained happy. Now she walks the streets of Gold as she is reunited with loved ones gone before us. My love and prayers for you all will continue. Grief has not time limit! Love Valerie and David Johnson
