“Joyce and family, I am so very sorry for your loss. Miakel was a great man and I am blessed to have known him, having worked with him at Sonoco for many years. Not being a fisherman myself, one Saturday morning some 15+ years ago, Miakel took me and my two children to his favorite pond and taught us how to fish. Although it was just a few hours, that fund memory stays with me and my children to this day. God Bless
