

Mr. Michael "Mike" Wayne Weatherford

April 24, 1944 - March 20, 2020

A graveside service for Mr. Michael "Mike" Wayne Weatherford, 75, will be held in Lake Swamp Baptist Church Cemetery officiated by the Rev. Tim Skipper. The graveside service will be held privately due to the current pandemic. A public celebration of life will be held at a later date. Brown-Pennington-Atkins Funeral Home is caring for the family.

Mr. Weatherford entered into rest on Friday, March 20, 2020. Born in Timmonsville, SC, he was a son of the late George Marion and Lois Elizabeth Jordan Weatherford. He graduated from Conway High School and served in the South Carolina Army National Guard for 7 years. He retired from Stingray Boat Company after 37 years of service. In 1981 Mike was part of a voyage that was recorded in the Guinness World Records. The voyage started in Coon Rapids, MN and 4 days and 1804 miles later ended in Baton Rouge, LA. As the mechanic of the 2 boats, Mike came through every time problems were experienced. The boats were named Round Ball I and Round Ball II.

Surviving are his wife, Mary Simpson Weatherford; daughter, Merri (Duffy) Scarborough; son, Chris (Rheannan) Weatherford all of Hartsville, SC; grandchildren, Rachel (Blake) Courtney, Emily Weatherford, Mariah Weatherford, Michael Weatherford, Mia Weatherford all of Hartsville, SC; sisters, Lois Ann (K. D.) Todd of Conway, SC, Kay Twombly of Mt. Pleasant; brother, Tad (Lynda) Weatherford of Hartsville, SC.

Because Mike always had a heart to help other people, the family suggests in lieu of flowers memorials be made to Calvary Tabernacle Church, 1812 East BoBo Newsom Hwy., Hartsville, South Carolina 29550.

I had to leave you all today, I am sorry I could not stay. My time here on earth is up you see, My Father in Heaven was ready for me. Please do not cry or be sad I am gone, This life on earth was not my home. When I walked through Heaven's gate today, Jesus welcomed me in a glorious way. The Angels sang with a magnificent sound, loved ones before me gathered around. My vision was perfect and I could now see, how my faith and obedience has awarded me. On earth I was a proud servant, that obeyed God's Holy Word, I trusted and believed, I was a sheep to his herd. I worked very hard and prayed everyday, I was faithful to Mary in every single way. I loved all my family, neighbors, and friends. I gave my heart fully all the way to the end. Please don't be sad or cry since I'm gone, My body is healed and I am finally home. I am walking with Jesus, and talking some too, I will be here waiting, until you can walk too. - Written by Gina Ard

“ *Mary and Family, I just saw tonight that Mike
had passed away. I am so sorry and know
you will miss him very much. My thoughts go
back to many years ago when we were
neighbors. And what good times we had. We
were all young and full of life back then. But my how time changes
everything. I have been alone for 14 years now. The good thing is
the love one has for their spouse never goes away. I am so blessed
to have had Billy in my life. I feel certain as time passes and you
begin to heal from the pain you are feeling now, you will be able to
smile and thank God for the years you had together. Mike was a
good soul who loved people and people loved him back. My heart

“ My life changed when I first met Mike and Mary. I praise Jesus that I got to meet and got to know Mike if even for a short time. I love my Jesus Mike. You sat in front of me in church and I was moved in how you openly worshiped our Lord and Savior. It was evident that you loved us all at Calvary Tabernacle Church because you told each and everyone of us every chance you found. What an influence you had on people. When Mike talked, people listened. His enthusiasm was contagious and heart warming. I will miss you but will see you when it is my time. Imagine that a man named Jesus Christ died on the CROSS for us bearing our sins so that we could have eternity with Him. It is the Season now to celebrate what a gift Jesus gave to all of us. You are going to be with Jesus on Easter and hear Him tell all of those with Him how wonderful it is to view all of His children that believed in Him that are already with Him. Yes Mike, I love the Lord and I love you. I love Mary and I am thankful and blessed to be able to spend more time with her. You already know she too will join you one day. How joyful it is to know that you are with the Lord you loved so much and made sure even strangers knew that about you. All I can say at this point is: HALLELUJAH AND PRAISE JESUS' NAME.

To Mike's family, I am so sorry for your loss. Please know that you all are in our prayers. Working with him at Stingray, there are so many things I could say about Mike, first & most importantly, he was a Man of GOD, he loved the Lord, there was no doubt about that. He loved his family, talked about them all the time & was so proud of each one of them. He was always eager to give advice, answer any question or give his opinion on anything b/c he was just that caring, you had just better have a lot of time on your hands b/c normally it would lead to a "story" & we all know how long those stories would be especially if he threw in a "Mike-ism" as he called it. I also remember he loved to not only explain something in detail, he loved to draw it out for you, I can't tell you how many timesheets I would get from him with diagrams & pictures drew all over them, it was Greek to me, but someone had just got a lengthy explanation to something .He loved people in general & would do anything for anyone, as the saying goes "he would give you the shirt off his back" & he truely would, even to those who may not have treated him w the respect he so deserved, he'd say, but I still love them. That was the kind of man he was. You could set your clock by him b/c when lunch time came around, he was up front looking for AI to go to lunch & to AI, you are in my thoughts & prayers as well, I know you have lost a dear Friend. Lastly, Mike never walked away without saying "I love you".

“ My Uncle Mike was one of a kind. Words can't describe him. You had to know him to understand. On the one hand he was as honest as the day is long, genuine as they get, hardest worker you ever had the pleasure to witness, and tough as nails. On the other hand, he was a loving father, a dutiful husband, and as tender inside as he was hard outside. Uncle Mike taught me how to fish, rebuilt things when I broke them, always gave solid advice, and was not scared to put his foot in my rear. Yet, he always told me he loved me. Always. He would take money out of his pocket and put it in mind. He would give me the shirt off of his back. I am a better person for having known him. He is now in a better place. If the Good Lord needs anything fixed, he just hit pay dirt. I hope we all can take solace and feel fortunate that we had the distinct pleasure to know him. He will be missed. RIP Uncle Mike.
