“ I want to let Mike's wife and family know that you are all in my thoughts. Mike was my brother Jason's best friend. I remember when Mike and Jason borrowed my car one night to take Mike home. I got into the car the next morning and the radio volume just about scared me out of the car. I wish they both were still here. We lost Jason way too early and now Mike too. Its hard to understand why we're robbed of their presence but I know they are looking down @ us and smiling together. Just please know that Mike has a close friend and is not alone in his new journey. I'm sorry to hear of Mike's passing and wish badly that I could be there for visitation.###imported-begin##Carl Alkire###imported-end##
