“ Betty, Troy & Family
You are in our prayers and know that God holds you in His everlasting arms. Betty I remember our mothers working on the farm together when we were young. One thing that sticks out to me about your mom is back in those days she always had a smile and kept everyone laughing. When you are out in the night take time to look for the brightest star out and know that will be her smile looking down from Heaven, and she will be telling Jesus, see that one down there looking up, thats my daughter and her family. In Heaven there is only "Happy Times" and she will be wearing that smile forever.
