“ To the Family of Mrs. Martin,  
I will never forget "Mildew" (as she said) or her friendly disposition, caring personality, and entertaining sense of humor. Many times during the time she was under my care at Morrell did these virtues show through. I am terribly sorry for your loss. Even though I only became acquainted with her near the end of her time here, she will always be one of my favorite patients.

May God heal all of your hurts and be with you through this time of grief.

Love,

Kacee DeWitt, LPN##imported-begin##Kacee DeWitt##imported-end##
