“ Jimmy and Diane, I'm so sad to hear of your mother's death. "Miss Mildred" was a regal, friendly, intelligent and kind presence in the Stokes Bridge community. Years ago, Mama gave me some pink obedient plants which came from your mother's garden and which I planted at the farm (where they thrive) with the label: *Physostegia virginiana* 'Miss Mildred.' I'm so lucky to have grown up knowing and loving your mother. She and Mama were close friends for many decades. My heart is sad today, but I have happy memories of her and rejoice in that. Love to you and your families. Tom (Tommy) Woodham
