“ you no, we never know of who we will hear of next. you know the ol time saying, 'wonder who will leave here next? then the phone rings or we pick up the paper and out pops out that one we intended to get in touch with, that family we have thought of so often and then time has passed us by and it is too late.

To all of the Flower's Family, I am so very sorry to hear of this loss. You have suffered so many. i know this one thin, There are a many a little boy who wouldn' have ever learned to fish if it hadn't been for their dear uncle Pigeon and a blue truck that knew it's own way home. That goes for my little boy, especially.

I love all of you and God bless you.###imported-begin###Jo Lynn###imported-end###
