“ *Although I only knew Milton for a very short time I grew to care about him greatly. He always remembered my name, though couldn't quite get it right. He would take my hand, wick at me and smile. He just made me smile every time I went to visit him. Mildred always called him a lamb and that he would say whatever you wanted to hear!! He truly was a gentle lamb. My warmest thoughts to your family.*

“ *Missed seeing them in their spot each Sunday for worship at First Baptist Lake Park. Unable to be there for health reasons, you were remembered and prayed for as well. Touching legacy. Mildred knowing Milton is in heaven is comforting yet having lost the presence of your husband of so many years has to be so very hard, may God comfort you.*

“ Papa you where the greatest papa and only papa i ever had. You where caring, loving, And thoughtful. When i seen you, you said "Zachy lets go fishing". We would go to antique shops together. You loved civil war trinkets, and history. You loved your antiques. you would take me out to eat. I remember you saying all the time to grandma, "Mildred you have a cookie or something sweet to eat". Your favorite saying was "Dont waste it". I Was playing with your flashlight turning it on and off you said dont waste it. You loved hand sanitizer. I Went to church with you and grandma, You had a bottle of rubbing alcohol and napkins and as soon as you got into the car you started rubbing your hands and said germs. I loved the memories and times we spent together espeacially fishing with you. You where the best papa in the world. I know you are in a better place with jesus. I love you and know you would want us to be happy. This is a rejoyce of new life for you. I love you papa.. You will always be in my heart. Love your grandson Zachary.....

“ *Mildred and family, our hearts are saddened by the loss of our dearest friend, Milton. Dear Lord, please wrap your arms around Mildred and her family. Lord give them the comfort and strength to get through this very difficult time. Help to heal their hearts and needs. It will always bring a smile to my face as I remember how Milton would light up when I would arrive with desert, he would always say a "meals not a meal without desert". He especially loved blueberry cheesecake! You will surely be missed! You and Mildred have truly become a special part of our family. “ *Dear Father, thank your for all you have given me, my siblings, and mom. I love you more than life, itself. I know you are with the Lord now and will be in eternal peace with our Savior. I am so grateful to have had the opportunities to say my goodbyes to you recently and laugh together and have you share some private thoughts with me. I love you deeply but as promised, I will see you again.*

You have given me many gifts but the most important ones were not with ribbons and bows but greater ones, integrity, honesty, compassion and empathy, and many more.

Thank you for your service in the United States Navy and the United States Coast Guard during World War II and protecting our nation with bravery and duty.

*I love you father,
with the deepest love,
your thankful son,*

I never met your father or mother, but from all I've heard about them from you, they were extraordinary parents & loved very much. What you've said to you dad here, says so much about your relationship. What a glorious blessing to know he is with his savior & you will all be together one day, for sure?

God's peace & comfort be with you & your family.

On Mar 17, 2014 7:58 PM, "Dr Joe Klatt"
To my friend Ron Kasper:

let me first extend to you my sincere thoughts and prayers for you and your Dad. I was some months short of my 15th birthday when my Dad was lost in the ocean; probably the victim of a shark attack. There is a time unto every season and mine was much earlier in my life than your time is in yours. Be thankful, friend Ron, for the many years of life that your Dad enjoyed and that you shared so many years of life with him. His soul has gone to stand in judgement and forgiveness by the Lord Jesus Christ Who sits at the Right Hand of God the Father. Some day God will call your Mother home and some day He will call you home. When that happens, you all will be reunited in a Heaven where there is no pain, no death, no sin... only beauty and love.

While death may seem now to be permanent, your Faith will lead you to understand that earthly death is only a temporary parting and you will rejoice when the Good Lord reunites you when He chooses to do so. Blessings to you and your Mother... your Dad is already experiencing all the blessings any man could ever hope to receive.

Your friends, Joe and Enya
