

Mr. Milton Josey "Joe" Woodham

December 24, 1927 - December 25, 2016

Graveside services for Milton Josey "Joe" Woodham, 89, will be held Wednesday, December 28, at 11:00 in Magnolia Cemetery. The family will receive friends from 4:00-6:00 on Tuesday, at Brown-Pennington-Atkins Funeral Home. The Rev. Fran Elrod will officiate. Born in Hartsville, Mr. Woodham was the son of the late Middleton Josey and Margaret Green Woodham. He was preceded in death by his sisters, Edith Woodham Howle, Evelyn Woodham Kee and Daphne Woodham Arthur. He is survived by his sister, Ola Lee Woodham Robinson, of North, SC.

Surviving are his three daughters and sons-in-law, Julie and Charles Huggins, of Patrick, Lori and Lester Reynolds, of Hartsville and Joan James of Hartsville. He was a wonderful grandfather to four grandchildren. Carl (Anna) Huggins, William (Stephen) James, David (Tasha) Reynolds and Anna (Dow) Hardee. He also enjoyed watching his three great-grandsons grow so fast this past year-- Dustin Reynolds, Chandler Huggins and Benjamin Hardee, III. He was affectionately known to all of his family as "Daddy Joe".

Mr. Woodham worked at the Pee Dee Hatchery for 57 ½ years until it closed in 2002. He enjoyed doing anything outside. Working in his garden was a favorite pastime. He could fix almost anything and was always helping his children with their projects. He also enjoyed telling us stories about people and things that happened around Hartsville years ago. He was a member of Wesley United Methodist Church.

A special thanks to Dr. Ken Evans for his years of care and to Dr. Susan

Reynolds and Hospice Care of South Carolina.

“ I grew up with Uncle Joe and Aunt Bev and the girls. When mom would visit them and the girls were not home, Uncle Joe was great at trying to help entertain me. One day when I was 8 or 9 years old, this was the case. I had already visited the rabbit pens numerous times and Uncle Joe was not finished reading his paper. He introduced me to the steps needed to have a pet squirrel. (Of coarse he asked Mom is I could have one first, as he winked at her)

The key he said was to go to the kitchen and get the container of Morton Salt. If you can sprinkle salt on the tail, the squirrel will then sit and let you pick him up. Then my dear you can take him home as a pet.

Well I beleived ever word too. Four hours later and every container of salt and every salt shaker empty in the house, I was quite dissapointed when mom was ready to leave and i still had no pet squirrel. I bet he laughed about this event for years and I always wondered why there was no salt when I came to visit again. Aunt Bev always said she had used it baking.

I can visualize now how I must have looked waiting and chasing those squirrels that day and several days afterwards. By the way, pepper didn't work either.

With love and affection,
Winnie King

“ Lori,
Your dad was a wonderful man. I always admired him. He made me smile and laugh at his humorous comments about most any topic. He was very smart and very practical. He was a survivor. I know that he faced difficult times during his life, but he managed to keep on going. He set an example for others on how to be frugal and use common sense. He was a real gentleman. He was very considerate of others. He expressed immense gratitude to those who cared for him during the last days and weeks of his life.
He will certainly be missed, but heaven has gained a bright star.
Love,
Susan
