“ Ms Minnie you meant so much to me when I was working. You taught me things about nursing that you could never learn in a book. You were one of the best nurses that I have ever worked under. I will never forget you. I don't care how bad someone was to you, you never came back at them! You would go to your office singing “JESUS LOVES ME”over and over! You always turned to our Lord and Savior! You were always there for me, whenever things got back with my husband! So many times we thought we would lose him. You and the rest of the Nurses were always there for me! I know he'll be happy to see you in heaven! You rest my Super special Angel Nurse! I love you!

“ Ms Minnie gave so much to her community as a true public servant. She inspired and taught countless nurses the art and compassion of our profession. She was my first supervisor and department director in newborn nursery and women's services. You never said no to a request from Ms Minnie. She was an honest leader with unquestionable integrity. We were incredibly lucky to have known and worked for her.

She taught me so much, and was there when I caught my first baby. I always hoped to be as good a nurse as she was. Those were high standards to reach. Fly high Miss Minnie. Will always love you.*

I was so sorry to hear of Minnie Lee's passing. As a young girl, babysitting the children, she treated me with much concern and love. Then later, when I had my daughter, she was right there with me. “ *My deepest heartfelt condolences over the loss of such a very special wife, mother, grandmother, great grandmother and friend. Minnie was a special person in my life for so many years. We started working together at the old BYERLY, the staff was like a family and she was the mother hen. I have so many fond memories of our time on postpartum, nursery, and labor and delivery. She required us to learn them all. There were days when, Minnie Lee could be heard while walking the halls singing “Jesus Loves Me”. She loved her LORD AND SAVIOR above all else. Mr. Bob and family may the memories of time past bring you comfort in the days ahead. Please know, I did love that Minnie Lee. My thoughts and prayers will be with you in the days to come.*

“ *Mrs Minnie Lee was such a wonderful, dear, loving person and I was honored to have worked for her at Byerly Hospital. She was such a great nurse and true Christian woman. She had a committment to her community and church that was admirable. Her ability to inspire and help others in any way she could was natural for here. It's true, you WOULD work for Mrs. Minnie if she asked you to come to work on your day off or work a few extra hours. She was that loved and respected.*

“ Mrs Minnie was the best teacher, mentor, friend and most of all Christlike example to me for over 39 years! Nursing was only one way she served the Lord. Her example of love for all, compassion and forgiveness is who she was. Many fond memories. I would not be the person, nurse I am today if not for her leadership and example. My prayers go up for the family! May God comfort you and give you peace! No doubt she is looking into the face of God and walking the streets of gold!
