“ So sorry to hear of your loss. I know it's especially painful when it is a child. What I found to be very comforting is the wonderful hope of seeing our loved ones again right here on earth which is found at acts24 : 15 and revelation 21:4. Wishing this brings you some joy and hope.

“ I saw your rainbow today and I knew that you were in heaven. I will love and miss you always but I take comfort in knowing that you didn't have to wait long to get your wings. Miracle, you were too beautiful of an angel to live here on this earth. As I held you in my arms I knew I would love and miss you forever, until we meet in heaven..

“ God gained yet another amazing angel when you left this world behind. You were too perfect and pure to have to live in this cruel world of ours. I would have loved to get to know you before you left us, but I know you're having a blast soaring around up in heaven. I know we would've been the best of friends if God wouldn't have needed you so soon. But, regardless I love you and will miss you every day until we finally meet beyond those golden gates. Remembering you always, little Mira. Love, Auntie Tori.
