This is Polly Baker. In my search trying to connect with Kara after nearly 55 years, I ran across this obituary as well as Bert's, and her husband's. My heart breaks for what she and all of her family have grown through. This video was one of the most touching tributes I've ever seen. What an amazing woman and family. I have so many fond memories of spending time at their home and hanging out with Kara. I moved to Bradenton FL 21 years ago. I would give anything to connect with her again. I was not able to find a way to contact her, but if anyone would kindly share my email address with her I would greatly appreciate it. pollybaker03@yahoo.com. Please accept my most sincere condolences.
