“ *HERE'S A STORY ABOUT MY THREE GIRLS!*

Our family all started with one little girl with big blue eyes, Misty Michelle. We called her 'Misty Blue', a nick name my Mom gave her. Then came Kristy and Casey. My three girls..all different in ways. Always sisters no matter what. Through little spats and big ones too. Their love as sisters always came through. Their hearts you see, would always be true. I am proud to say I helped to instill this in them.

MY THREE GIRLS, MY HEART, MY WORLD.

Love, Moma

Misty would always say 'Moma I have lots of friends'. I think she never knew just how many! I would like to thank you all for all you have done for Misty, her family, and her children.

Keep us in your prayers.

We Love You All, Moma Chris & Family##imported-begin##Chris Atkinson##imported-end##

“ Well..lets see I don't know where to begin..All I know is that this still don't seem real to me even though I watched my sister..my bestfriend be put into the ground. It seems like yesterday when I was talking to her on the phone on my way home from school. She called me everyday while I was on my way home from school. We would talk about everything & I know she was truly happy & her kids were the world to her. What I would give to have those long talks again. I still catch myself picking up the phone to see if she called. A piece of my heart is gone and now it will never return. I try to be so strong for Mom, Dad, Casey, Mama, Christopher, & Alison but all I can seem to do is break down behind closed doors. The children look to me for answers that I still can't face myself. Please God..help to ease my pain as well as the rest of my family. God..you know the truth behind all of this so please guide the ones that needs your guiding so my sister can rest in peace. Please watch over us & her children. I LOVE YOU MISTY-LOVE YOUR SISTER.##imported-begin##Kristy Atkinson Kelley##imported-end##

“ Sorry, this has taken so long. I guess I was making sure it wasn't all a BAD dream. But it's worse - it's true!

Misty, I watched you grow up looking out my front window. From your first steps, to walking, to your first bike, then friends and finally to becoming a mother. You came into my life a long time ago. But you came in my heart about six months ago. (when we had a chance to get to really know each other) You were a joy and always brought a smile to my face when you entered a room. You knew how to raise my spirits up when I needed it. I want to thank you for that.

You were able to bring sunshine into my heart when things weren't going my way.

Misty, I'm not ready to say good-bye to you yet. The song they wrote for Diana when she passed keeps lingering in my mind - you were definitely a candle that's light went out before it's time.

Such a sweet, caring young girl - who's dreams touched a lot of hearts.

Your sister's will miss you so much, I don't think you even realized the impact you had on their lives.

Misty, just know you were loved by many true friends. MY PRAYERS are said everyday for the family members you left behind. Have comfort in knowing your mother, father and sisters will keep you alive in your childrens minds and hearts. I know you are smiling now, you have left the pain and hurt behind you - and I'm sure your grandpa is right there with you comforting you. Misty you will be missed by many.... and Loved by even more; God Bless you always and forever!

Your friend;

“ Chris, Nimp & Family, You are in Our Prayers and thoughts at this
time. You may never understand, just remember God will help you
through this. A relative that had been thru a loss like yours told me
you will feel like you are in a fog for awhile. Do not expect an
answer to this fog right away. Love and Prayers###imported-

“ My prayers and thoughts are with the family during this time . I worked with Misty at Washington Mutual and she was truly a friend to me, and the memories that we shared will stay in my heart forever. Even though I had not been in touch with her in a while, I often thought of her, it was always with a smile on my face, because she was that kind of person. I am very glad that our paths crossed in this life and I got to call her a friend.##imported-begin##Tammy McDaniel##imported-end##

“ To Misty's Family:

I am so sorry for the loss of a cherished daughter, sister, grand daughter, mother, aunt, but most importantly friend. I didn't know her for very long. She was in and out of my life with in a few short months. However, she did leave several foot prints embedded in my heart along with many good memories I'll cherish forever. I'm so glad that I was able to get to know her. She never was afraid to stand up for what or who she believed in. I'm so sorry for your loss. You'll be in my heart thoughts, and prayers! God Bless!##imported-begin##Emily##imported-end##
