“ to maxine and nikki- I have only known Mitch for about 9 months, and i can truly say Mitch was a very sweet and kind man!! i can remember days that christy and i would come to clean his house and he would always make us laugh, and was always there to listen to our problems, Mitch never complained about life, he was always thankful for what he had. I remember on my last visit to see Mitch i was going through a very tuff time and he was there for me and all he wanted to know was "is there anything i can do for you?" Mitch never asked anything of anyone. Mitch told christy and i on our last visit that we were very special girls and that we should never just settle for anything in life!!!! Mitch will be truly missed, and now he is in a much better place. And i want to just say mitch i will never just settle and if there is anything that i can do for your family i want them to please let me know. thank you, melissa. ##imported-begin##Melissa Loflin##imported-end##

“ We have surely missed Mitch the past months and the wonderful memories of his delivering mail will always remain with us. He wanted a start from my oriental tree and then saw how big it got. what a laugh. He asked me to pray for the adoption as he and his wife were hoping to adopt. After the adoption, he gave me many pictures because he said "you were a big part of the reason we got her" How much he loved that little girl. He will be missed by many people but we will all know that he is in heaven with our Lord##imported-begin##The Fischer/Taylor Family##imported-end##

“ howle family...i am so sorry of the loss of mitch! i met mitch a couple of years ago as i was cleaning a friend of mines home he came up and blew the horn with some mail...he said i have seen you here several times and i was wondering who you are..i told him that i cleaned for the couple. he said "you want another one" i told him sure and we became really good friends!! he was so sad after his divorce and we would sit and talk as i too had been through a divorce and he would weep to me and i would try to help him deal with his pain! nikki--he would talk of you often and at the beginning he would show your picture off everytime commenting about how beautiful you are!! he would tell me how you would call him for his recipes so you could cook for your boyfriend...he really enjoyed that! he loved you so much!! it has been terribly heartbreaking to watch him decline in his health but he is not suffering with pain any longer!! i am truly blessed to have met such a kind and considerate man as mitch and i appreciate the opportunity to have helped him with his house and what ever he needed at the time!! each of you are in my thoughts and prayers! god bless!!!##imported-begin##christy copeland##imported-end##

“ I just wanted to express my regrets to the family. I am one of Dr. Ropp's nurses and came to know Mitch very well. He would talk to me at visits and on the phone from time to time. He always talked about his family. I know he has been through a very hard time. Now he can rest in peace without any problems. If any of you need anything feel free to call me. Again I am very sorry for your loss. Love, Shannon###imported-begin##Shannon O'neal###imported-end##

“ *Mr. Howard, Nikki, Maggie and family:*

I am so sorry to hear about Mitch. The news was truly heartbreaking. He was such a wonderful, funny person to be around. He always had interesting things to talk about and an intriguing perspective on various topics. I asked him one time where he got it all from. He said it was from all the time he spent delivering the mail listening to talk radio. I know he is in a better place, but I also know it is painful for those he has left behind. I remembered him in my prayer and now I will remember all of you.

All my love,

Shannon##imported-begin##Shannon Teal & Blake##imported-end##

“ Mitch was a great neighbor. He was always kind and ready to help others. He loved his family so much. He was sad this past year and suffered much pain. He knew his Lord and tried so hard to overcome his sadness. Nikki - he talked about you all the time. He loved you so much. God Bless you. Always know that he loved you. He is at peace now. He loved his father here on Earth and his father in heaven. I know he is a happier person where he is now. Know that he is no longer suffering. God bless the entire family.
