“ To the family, I thought a lot of Ms. Gibson. I was her insurance agent a few years ago and I told her one day that she looked like she could have been my grandmothers twin. I would tear up when she would come in the office beacause I would think of my grandmother.I would call and talk to her for hours about everything under the sun. She was truley a special lady. I am glad that I met her.##imported-begin##Brandy O'Neal##imported-end##
