“ *Ronnie and Diane, we were sad to learn of Modine's death this week, and I regret that I didn't check the funeral website in time to attend today's graveside service. I've known your aunt at least 20 years, traveling with her and my parents on a Christine King's tour and inviting her to help form the local League of Women Voters. We were also both active in People to People for many years. Larry and I entertained her in our home several times on a holiday. Visiting her occasionally at Morningside, I was reminded of her sense of humor, poetic nature, and interest in art and the environment. Marching to her own drummer, I'll never forget Modine.*

You are in our prayers, Sheila##imported-begin##Sheila Haney##imported-end##

“ *I am sorry to learn of the loss of Mrs. Modine. I got to know her through my visits to Morningside; she spoke to me every time I saw her, and was always eager to talk. Please find comfort in knowing that she is with the Lord, and with her beloved husband. In sympathy, Becky Tidwell##imported-begin##Becky Tidwell##imported-end##*
